

control Morris at the time of the congressional investigation of ex-mayors. Morris had not been temperance now. The statement made by the controller was that the callibre of the chief magistrates of the city was improving, inasmuch as the two ex-mayors, John Allan, had been abstainers, and the new one, Chester S. Walters, was a teetotaler. Ex-Mayor Stewart, who was seated on the dais with Mayor Walters and ex-Mayor

Hamilton Times Patterns

A SIMPLE AND BECOMING DRESS.

1116—Lady's House or Home Dress, with-sleeve in either of two lengths, and with raised or normal waistline—figured percale in black and white was used for this attractive and pleasing design. The waist is made with a group of tucks over the bust, left front is shaped over the left in closing. A raglan sleeve, such a comfortable sleeve, may be finished in wye! or elbow length. The skirt is a three-piece model with pleated fullness at the back. Blue shadown, with collar and cuffs of white pique would be nice for this style, or gray and white seersucker, with trimming in self or contrasting color. The pattern is cut in 5 sizes, 34, 36, 38, 40 and 42 inches bust measure. It requires 4 yards of 40-inch material for a 38-inch size. The skirt measures 2 yards at its lower edge.

A pattern of this illustration mailed to any address on receipt of 10c in silver or stamp.

To secure pattern fill out this blank (write plainly). Enclose amount and mail to Patterns Department, The Hamilton Times, Hamilton, Ont.

It will take several days before you can get pattern.

NEW SCHOOL

Will Be Erected to Overcome the Overcrowding in Present Building.

The thirty-fourth annual meeting of the Presbyterian church was held on Saturday night, January 9th, at the church and a large number turned out to hear the reports of the various committees. Discussion was held on the subject of the new school building, and many suggestions were made to reduce it, such as the holding of two special days during the year, and the collection of money for the building of the new school. It was stated that the total cost of the church project was only \$10,000. The church will be practically free from debt, the house being sold to the church. The Sunday school will be held in the new building, and the church will be able to accommodate the building of the new school. The church will be able to accommodate the building of the new school.

The following were the reports of the various departments:

Finance Department. A substantial increase in membership. During the year there were added 100 members. The total membership was 1,000. The church is now in a position to build a new school building. The church is now in a position to build a new school building.
